Ben & Bill, thanks for your work in our community! Yes, I will be renewing through GMCF by 6/30.

Ben, sorry to miss the seniors with you..we would have been a force to reckon with.

After all your planning to get in the seniors without qualifying, I cannot believe we had to default right off the bat. I was looking forward to the white tees. Maybe next year. Have fun at USC graduation.

I am following up on a letter from me and Bill Gibbons last month regarding renewal of your annual support of the Crime Commission. We all know that violent crime is one of our biggest challenges. At the Crime Commission, we have new leadership with Bill, a new relationship with the University of Memphis and a new 5 year plan. We are aligned with our 2 Mayors and MPD Director Rallings. We have more resources for community engagement and getting the word out. We have helped in recruiting and retention of sworn officers. A new class of sworn officers and PSTs will soon hit the streets and we are committed to getting more boots on the ground which is critical to driving down violent crime with data driven pro-active policing. Can we count on you to renew your support this fiscal year which ends September 30? I would also be happy to come visit with you and members of your team to discuss our plans and progress in more detail as well. Thanks for your consideration. Ben
